How to Access Welch eResources

http://www.welch.jhu.edu
Popular Resources offers quick links to the most accessed databases and e-journals on our site.
Welch eResources offers easy access to biomedical and public health resources:

- 400+ electronic databases
- 7,000+ electronic journals
- 11,000+ electronic books
- 2,000+ videos

Browse alphabetically, by subject or publisher
Search or Browse for a Journal

Here is a Welch eResources search for "environmental health"

Results show all databases and eJournals with "environmental health" in the title.

- Look closely at the eJournal titles.
- Multiple listings for the same journal means we have access from more than one publisher.
- Select the title to access the journal.
Welch Subject Guides

Topic specific pages feature commonly requested resources

Browse electronic journals, databases and ebooks by subject
Subject Guides from Sheridan Libraries

http://www.library.jhu.edu

- Sheridan Libraries maintain a large selection of subject guides listing databases not featured by the Welch Library.
- Depending on your research topic, it may be important to search databases covering different disciplines.
- Guides cover disciplines such as:
  - Business
  - Engineering
  - Law and Public Policy
  - Statistics
