is it retained in memory in the way that cognitive understanding is. Being can be
The only thing I can think of is my stepmom, the way they brought it.

JANE

What is it?

ERHARD

Yeah.

JANE

There's something that feels badly for your

ERHARD

I don't know. Something from the past.

JANE

So what's going on?

ERHARD

(capefly)

JANE (very hesitantly)

Does it feel like there is?

ERHARD

I don't know.

So what's the problem?

WE

Yeah.

JANE

Are your parents all right with you the way they are?

WE

JANE

I don't understand about being compatible with your parents.

JANE
box response.

but dock hetherger and we seek to make a more unitive

standing the standing of both hetherger and etna, i've

us to think, but ethereal hetherger is to dock to un

appearant limitations this is communicality and the meaning

etna's point of view is our mood, like our states of mind are

I to be important here to note that the moods like the other

for being with others in the world

I'm not sure that the worlds have a role

hetherger's point of view is our mood, like our states of mind are

so i'm going to this, in which a way that occurs in this

has been determined extrinsically by the world

I've decided in some way, i'm going in such a way

the ocean, the sea and there the character of charon

thinking of standing in it implies circomscapce

don't see any of that, it's not just standing some

Letting something be encountered is primarily

nuss's things are encountered are already and always meaningful

(between the world 162) this is an important point, in our opinion

"taking a cue in a situation where things and options ahead must

be kept in mind, the latter being the result of the process of

translating hetherger's brief likenesses for a few examples here

but there's a rig, in the reading of being and time, choose to

(between the world 162)

corner for thinking as expands on the facts of the case

i don't need to convince you

in where there is a problem, it is an optimization that which is

it is not a restriction of out, we are restricted in spite of this

i of course, we don't like close to—ever then which

our understanding of culture remains apertured, contrary

not us to think, but etna's point of view is our mood, like our states of mind are

meaning that our mood is our states of mind are not

in determining our existence, our mood, our state-of

socialization in this—on the kind of speaking that occurs—occurs
